Academic Upgrading Program

Our Programs

Pre-College Entrance Program (PCEP): for adults planning to attend university or college in the future. It provides students with the academic skills necessary for success after high school. The Program consists of courses in English, mathematics, science, and computer skills.

Adult Literacy Classes (ALC): for individuals who have a reading score below grade six. Students receive personalized and group instruction in the basics of reading and writing.

Self Paced High School (SPHS): for adults who wish to take credit courses at the grade 10, 11 or 12 level in English, Math, Science, or Social Science. Guided by an instructor, students work at their own speed and take breaks from study as needed for work or family responsibilities.

If academic upgrading is what you need, call our Academic Advisor at (203) 555-1908 to book your skills assessment. This will help us determine your present level. Based on your individual goals, we will develop a training plan that will outline what you need and how quickly you can reach those goals.

This is a tuition-free program sponsored by the Mount Rathburn Board of Education. Additional financial assistance is available for day-care and/or travel expenses for low-income families. A book deposit fee of \$50.00 is required of all students. This deposit will be refunded if you return all of the books when you complete or withdraw from the program.
